Price Guide

6x3 Range

"Instantly Adds Space To Your Home Or Business"

The versatile 6m x 3m portable building is a very popular choice which can be customised to suit your lifestyle or business needs.

This building is popular as an onsite lunchroom, meeting or training room and due to it's size is economical to transport.

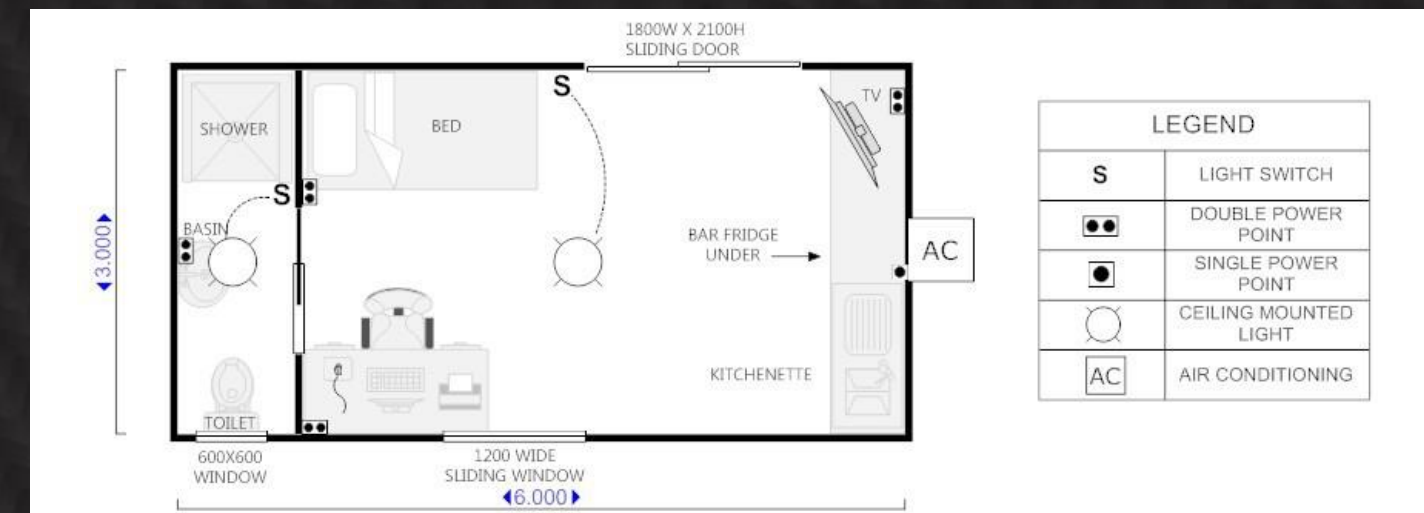

Customers also find this size building is an ideal space for a teenager's retreat, a place for guests to stay or to be rented out. This high quality portable building is big enough for a small group of people and will provide endless years of usage for whichever purpose you choose.

Strong, sturdy and completely portable, it is the perfect solution for space-restricted homeowners or a great investment for holiday parks.
